
How to apply for Col

MOTABAQAH has received official authorization from the GOEIC (General Organization for Export and Import Control) and holds accreditation from EGAC to issue COI (Certificate of Inspection) for regulated imports into Egypt.

Currently, **MOTABAQAH** offers inspection services for products being exported from Saudi Arabia (**KSA**), the United Arab Emirates (**UAE**), and **China**

Why Choose MOTABAQAH?

MOTABAQAH International Laboratories stands as a prominent entity in Saudi Arabia within the Testing, Inspection & Certification (TIC) sector. Our primary mission is to support both government agencies and private enterprises in enhancing their operations by ensuring the quality and safety of their assets, processes, and products.

Today, MOTABAQAH ranks among the rapidly expanding enterprises in its field, collaborating closely with multinational corporations, local businesses, and governmental organizations. Our aim is to enhance the quality, efficiency, and safety across various industries, including oil and gas, automotive, construction, transportation, energy, among others.

We take pride in our ISO/IEC 17065 and ISO/IEC 17020 accreditations, along with an extensive network of ISO/IEC 17025 accredited laboratories that span across nearly all product categories. This ensures comprehensive coverage for our clients.

In our pursuit of excellence, we employ cutting-edge technologies and methodologies in the provision of testing, inspection, and certification services. This commitment drives us to meet and exceed our goals while safeguarding the quality and safety standards across diverse industries
